Agenda Item Report

June 7, 2018

Agenda Item 3.1.ii: Advisory Committee Appointment

Report Author: Paul Hendrix

Staff Recommendation:

It is recommended that the Board appoint Lee Johnson to the GSA Advisory Committee

Background Discussion:

Eric Charles has recently resigned from the GSA Advisory Committee. He was one of the original appointments at-large to the Committee in March 2016. Mr. Charles, a resident of Visalia, had formerly been employed by Cal Water Service Co. and maintained an interest in regional water issues. Now engaging in other means of employment, he expressed a desire to step down from the Committee.

The Management Committee has reviewed the current list of Committee applicants, including those more recently submitted upon announcement of the recent vacancy. The Management Committee recommends another at-large Visalia resident, Mr. Lee Johnson. His past employment includes the City of Visalia in the Natural Resources Dept., and he has been active in community service in the Tulare County area.

Recommended Motion:

I move to appoint Mr. Lee Johnson to the Advisory Committee of the Mid-Kaweah GSA.
