In accordance with the Governor’s Executive Orders and the declared State of Emergency, including social distancing directives as a result of the threat of the COVID-19 virus, members of the Committee and its officers will be hosting this meeting remotely. **There will not be a physical location for this meeting.** Members of the public may participate in the meeting using the access information listed above.

All items on this agenda, whether or not expressly listed for action, may be deliberated upon and may be subject to action by the Committee. The Committee may consider agenda items in any order. Materials related to an item on this agenda submitted to the Committee after distribution of the agenda packet are available for public inspection at the Tulare County Administrative Office, 2800 W. Burrel Avenue, Visalia, California, during normal business hours.

1. Call to Order

2. Roll Call

3. Public Comment

The public may address the Management Team on any item relevant to the Kaweah Subbasin coordination effort. To comment on an agenda item speaker should stand (or speak up if over teleconference) when the agenda item is announced. The conducting officer will indicate whether speakers are to make their comments before or after any staff comment or report. Public comment shall precede discussion of the item by the Management Team Committee. Comments by individuals and entities will be limited to three minutes or as may be reasonable as determined by the conducting officer.

4. Update on Kaweah Subbasin Groundwater Allocation/Pumping Cap

The Committee will receive an update from each GSA on the progress to establish a groundwater allocation and potential groundwater pumping cap.

5. Prop 68 Planning and Implementation Grants

The Committee will receive an update on contracting and implementing various tasks under the Prop 68 Planning Grant and Prop 68 Implementation Grant.

6. LandIQ Update

The Committee will receive an update on efforts to implement LandIQ services for ET analysis across the Kaweah Subbasin.

7. USBR Water Market Planning Grant

Tulare Irrigation District will provide the Committee with an update on grant implementation activities.

8. Update on RCIS Grant

East Kaweah GSA will provide the Committee with an update on grant implantation activities.

9. San Joaquin Collaborative Action Plan

The Committee will receive an update on activities of the San Joaquin Collaborative Action Plan.

10. Projects / Management Actions Updates and Future Grant Rounds

The Committee will discuss strategies for Projects and Management Actions updates, and for coordination and application to future rounds of Sustainable Groundwater Management grants and other grant programs.

11. Numeric Model, Water Budget, Water Accounting Framework and Pumping Reductions

GSA managers will provide the Committee with an update on model work, refinement of subbasin water budgets, the subbasin Water Accounting Framework and groundwater pumping reduction efforts.

12. County Policies and Permitting Coordination

The Committee will receive an update and may provide direction on efforts to coordinate with Counties of Tulare and Kings on policies, permitting and other processes.

13. Annual Report, and DWR Review of GSPs

The Committee will receive an update on annual report activities, and status of GSP reviews by California DWR.

14. Other GSA Updates

Management Team Committee members shall provide any relevant updates on GSA activities not earlier covered in the agenda including meetings, outreach activities, progress on GSP implementation and funding/budgets.

- a. Mid-Kaweah Groundwater Sustainability Agency
- b. East-Kaweah Groundwater Sustainability Agency
- c. Greater Kaweah Groundwater Sustainability Agency

15. Next Meeting

16. Adjournment

A person with a qualifying disability under the Americans with Disabilities Act of 1990 may request the Committee to provide a disability-related modification or accommodation in order to participate in any public meeting of the Management Team Committee. Such assistance includes appropriate alternative formats for the agendas and agenda packets used for any public meetings of the Committee. Requests for such assistance and for agendas and agenda packets shall be made in person, by telephone, facsimile, or written correspondence to the Committee Secretary, C/O the Tulare County Administrative Office, at least 48 hours before a public Committee meeting.

The Kaweah Subbasin Management Team Committee was established under the "MOU for Cooperation and Coordination of the Kaweah Subbasin," executed by the East Kaweah GSA, Greater Kaweah GSA and Mid-Kaweah GSA in November 2017. The Team's purpose per the MOU is to conduct necessary studies and seek mutual agreement in the preparation of a Coordination Agreement as mandated by SGMA. Team members currently are Terry Peltzer, Mike Hagman and Tom Weddle with East Kaweah; Don Mills, Eric Osterling and Denise England with Greater Kaweah; and Leslie Caviglia, Trisha Whitfield and Aaron Fukuda with Mid-Kaweah.
